

ABENOL FOUNDATION PVC WAKA PLATFORM WAKA VOLUNTEER TERMS & CONDITIONS

1. INTRODUCTION AND SCOPE

These Waka Volunteer Terms and Conditions ("Volunteer Terms") govern the elevated access status, activities, responsibilities, and conduct of individuals who have been administratively upgraded to the role of Waka Volunteer ("Volunteer") on the PVC WAKA Platform, a civic technology initiative of the ABENOL Foundation ("ABENOL").

These Volunteer Terms are supplemental to and must be read together with the Standard User Terms and Conditions of the Platform, which remain in full force and apply to all Volunteers in their capacity as Users. In the event of any conflict between these Volunteer Terms and the Standard User Terms, these Volunteer Terms shall prevail in respect of Volunteer-specific matters.

By accepting the Volunteer upgrade notification and activating the Volunteer function on the Platform, you irrevocably agree to be bound by these Volunteer Terms.

2. VOLUNTEER ELIGIBILITY AND UPGRADE PATHWAY

2.1 Eligibility Requirements

A User becomes eligible for Volunteer status upon satisfying all of the following administrative prerequisites:

- Attendance at a mandatory Continuous Voter Registration (CVR) online training session, conducted via Google Meet or such other platform as ABENOL may designate from time to time;
- Voluntary submission of the User's Voter Identification Number ("VIN") through the post-training form designated by ABENOL;

- Successful administrative matching of the submitted VIN against the User's registered NIN in ABENOL's internal database by ABENOL's administrative team.

2.2 Upgrade Notification - Conditional Privilege

Upon satisfying the eligibility requirements above, the User may receive a Volunteer upgrade notification ("You can now become a Volunteer"). This notification, and any associated upgrade button or functionality, constitutes a conditional and revocable administrative privilege, not a right, entitlement, or contractual obligation on the part of ABENOL.

ABENOL reserves the absolute and unilateral right to:

- Withhold, delay, or decline the issuance of any upgrade notification;
- Revoke any upgrade notification or Volunteer access at any time, for any reason, with or without notice, and without any obligation to provide reasons or compensation;
- Modify the eligibility criteria for Volunteer status at any time without prior notice.

2.3 Administrative Nature of Volunteer Access

Volunteer dashboards, titles, access levels, community metric views, and all associated functions are administrative platform permissions. They do not constitute property rights, contractual entitlements, or vested interests of any kind. ABENOL may suspend, modify, downgrade, or terminate Volunteer access at its sole administrative discretion.

3. NON-EMPLOYMENT STATUS – STRICTLY VOLUNTARY RELATIONSHIP

THE FOLLOWING PROVISIONS ARE OF CRITICAL LEGAL IMPORTANCE AND MUST BE READ CAREFULLY:

3.1 No Employment Relationship

The relationship between a Waka Volunteer and ABENOL is exclusively that of an independent civic volunteer and a non-profit organization. This relationship:

- Does NOT constitute a contract of employment, apprenticeship, or service under the Labour Act (Cap L1, LFN 2004) or any applicable Nigerian employment law;
- Does NOT constitute an independent contractor relationship, commercial agency, commercial representation, or any other form of legally recognized agency under Nigerian law;
- Does NOT create any fiduciary duty, partnership, or joint venture between the Volunteer and ABENOL;
- DOES NOT entitle the Volunteer to any of the rights, benefits, or protections afforded to employees under Nigerian labour law, pension regulations, or any applicable statute.

3.2 No Entitlement to Compensation

Volunteers shall not be entitled to receive, and ABENOL shall have no obligation to pay:

- Any salary, wage, fee, hourly rate, commission, or other monetary compensation for outreach activities;
- Any bonus, performance incentive, or ex gratia payment;
- Medical, health, or life insurance coverage;
- Pension contributions under the Pension Reform Act 2014 or any applicable scheme;
- Annual leave, sick leave, or any other statutory leave entitlements;
- Workspace accommodation, equipment provision, or technology reimbursement.

All Volunteer outreach activities are performed strictly on a pro-bono, voluntary basis.

3.3 Personal Expenses

Volunteers bear sole responsibility for all personal costs incurred in connection with their volunteer activities, including but not limited to:

- Transportation and travel expenses;
- Mobile data and telecommunications costs;
- Personal equipment, printed materials, or any other outreach resources.

ABENOL shall not reimburse any such costs unless explicitly approved in writing through a formal, authorized ABENOL financial reimbursement protocol signed by an

authorized officer of the ABENOL Foundation prior to the incurrence of the relevant expenses.

4. CODE OF NON-PARTISAN CONDUCT

The following code of conduct is a binding obligation of every Waka Volunteer. Breach of any provision of this Code constitutes a material breach of these Volunteer Terms and may result in immediate, automatic suspension or termination of Volunteer status.

4.1 Strict Political Neutrality

While acting in the capacity of a Waka Volunteer, or while utilizing or referencing the PVC WAKA Platform, the ABENOL brand, name, badges, or associated materials in any manner, Volunteers are absolutely prohibited from:

- Soliciting partisan votes or electoral support on behalf of any political party or candidate;
- Wearing, displaying, distributing, or otherwise utilizing political party materials, symbols, or insignia in connection with their volunteer activities;
- Allowing the PVC WAKA name or ABENOL brand to be associated with any partisan political activity.

VIOLATION: Any breach of this clause constitutes a material breach resulting in IMMEDIATE AND AUTOMATIC termination of Volunteer status, without prior notice, without compensation, and without entitlement to any form of reinstatement. ABENOL reserves the right to make such termination publicly known to protect the integrity of its civic mission.

4.2 Zero Tolerance for Misconduct

Volunteers must at all times conduct themselves with integrity, dignity, and respect for all citizens. The following conduct is strictly and absolutely prohibited:

- Voter intimidation, coercion, threats, or any conduct designed to unduly influence a citizen's exercise of their franchise;

- Financial bribery, vote buying, or offering any inducement in exchange for voter registration, PVC collection, or electoral support;
- Spreading, sharing, or endorsing any misinformation, disinformation, or false information regarding the electoral process, INEC, voter registration procedures, or PVC collection;
- Discriminatory, abusive, hostile, or harassing conduct toward any citizen, INEC official, fellow Volunteer, or ABENOL representative, whether in person, online, or via any communication medium;
- Unauthorized use of ABENOL-branded materials for personal, commercial, or political benefit.

4.3 Scope of Authorized Activities

Volunteers are authorized solely to perform civic outreach activities within the scope communicated by ABENOL, including:

- Providing information to citizens regarding PVC registration and collection processes based on Platform data;
- Directing citizens to INEC registration centres identified on the Platform;
- Recording anonymized community engagement metrics through the Volunteer dashboard as authorized by ABENOL.

Volunteers must not represent themselves as INEC officials, government agents, or ABENOL employees.

4.4 Termination and Reversibility of Volunteer Status

ABENOL expressly reserves the absolute right, at its sole administrative discretion, to:

- Suspend, downgrade, or permanently terminate a Volunteer's access, dashboard privileges, and title at any time;
- Take such action without prior notice, without compensation, and without liability to the Volunteer;
- Determine, at its sole judgment, whether any conduct is inappropriate, in breach of these Terms, or inconsistent with ABENOL's civic mission.

No Volunteer shall have any right of appeal, reinstatement, or compensation arising from the exercise of ABENOL's rights under this clause.

5. ELECTORAL LAW COMPLIANCE

All Volunteer activities must at all times comply with:

- The Electoral Act 2022 and all subsidiary legislation and INEC guidelines thereunder;
- The provisions of the Constitution of the Federal Republic of Nigeria 1999 (as amended) regarding electoral rights and conduct;
- All applicable federal and state laws governing civic conduct, public order, and electoral participation.

Volunteers who engage in conduct that constitutes an electoral offence under the Electoral Act 2022 do so in their personal capacity and shall bear sole personal legal responsibility therefor. ABENOL accepts no vicarious liability for the conduct of Volunteers.

6. INTELLECTUAL PROPERTY AND BRAND USAGE

Volunteers are granted a limited, non-exclusive, non-transferable, revocable licence to use ABENOL and PVC WAKA branding materials solely in connection with authorized outreach activities. This licence:

- Does not permit use of ABENOL branding for any personal, commercial, or political purpose;
- Is automatically revoked upon suspension or termination of Volunteer status;
- Does not constitute any form of ownership, partnership, or commercial relationship.

7. INDEMNIFICATION

Volunteers agree to fully indemnify, defend, and hold harmless ABENOL and its officers, directors, and agents from and against any and all claims, losses, liabilities, damages, and costs (including legal fees) arising from: (a) the Volunteer's conduct during outreach activities; (b) breach of the Code of Non-Partisan Conduct; (c) electoral law violations; or (d) any misrepresentation to citizens or third parties.

8. GOVERNING LAW

These Volunteer Terms are governed exclusively by the laws of the Federal Republic of Nigeria. Any disputes shall first be subject to good-faith negotiation, and failing resolution, submitted to the jurisdiction of the Federal High Court of Nigeria.

VOLUNTEER PRIVACY POLICY

This Volunteer Privacy Policy supplements the general privacy provisions above and addresses additional personal data processed in connection with Volunteer status. ABENOL's obligations under the Nigeria Data Protection Act (NDPA) 2023 apply equally to Volunteer data.

9. ADDITIONAL DATA COLLECTED FROM VOLUNTEERS

In addition to the data collected from all Users, ABENOL collects the following Volunteer-specific data:

- Voter Identification Number ("VIN") — submitted voluntarily post-training for administrative eligibility verification;
- CVR training attendance records, including the date and session of attendance;
- Community engagement and outreach metrics recorded via the Volunteer dashboard;
- Correspondence and communications relating to Volunteer activities conducted through ABENOL-authorized channels.

10. PURPOSE OF VOLUNTEER DATA PROCESSING

- Platform access management: to manage, administer, and maintain Volunteer dashboard permissions;

- Compliance and audit: to maintain records of Volunteer engagement for organizational accountability and regulatory compliance;
- Community metrics: to generate aggregated, anonymized civic engagement reports for ABENOL's non-profit reporting and advocacy purposes.

11. VIN DATA - COLLECTION, USE, AND SECURITY

11.1 The Volunteer's VIN is submitted voluntarily through the designated post-training form and is processed solely for administrative eligibility matching. VIN data is:

- Encrypted in transit using SSL/TLS and encrypted at rest using AES-256 server-side encryption;
- Not retained in clear-text format at any stage of processing;
- Not shared with any third party, including INEC, other government agencies, or commercial entities, without the Volunteer's explicit consent, except where required by applicable Nigerian law.

11.2 Upon completion of the matching process, VIN data will be retained only for the duration necessary for administrative verification purposes and will thereafter be deleted or anonymized in accordance with data minimization principles under the NDPA 2023.

12. VOLUNTEER DATA ISOLATION AND PROHIBITED USES

Volunteers are granted access to consolidated community engagement metrics through the Volunteer dashboard for the sole purpose of facilitating civic outreach activities.

Volunteers are strictly prohibited from:

- Compiling, aggregating, or creating derivative databases from any data accessible through the Platform;
- Sharing, distributing, or disclosing any citizen data, NIN data, or Platform metrics with any third party;
- Using any citizen data for any purpose other than authorized civic outreach within the scope of Volunteer activities.

Breach of this clause constitutes a serious violation of the NDPA 2023 and may expose the Volunteer to personal civil and criminal liability under applicable Nigerian law, in addition to immediate termination of Volunteer status.

ABENOL processes Volunteer data on the following legal bases under the NDPA 2023:

- Consent: VIN submission is entirely voluntary and constitutes informed consent to processing for eligibility verification;

- Request deletion of their VIN data following completion of administrative verification;
- Request a record of outreach metrics associated with their Volunteer account;
- Withdraw consent to VIN processing, which will result in deactivation of VIN-dependent Volunteer functions.
